

# AUGMENTED REALITY USER INTERFACES

## CALL FOR RESEARCH PARTICIPANTS

The Illusioneering Lab at the University of Minnesota is looking for participants for a research study about using two hands to interact in augmented reality. You will receive a \$15 gift card after the study.

### WHAT YOU'LL DO

- Complete a survey before and after the study
- Wear a virtual reality headset and use two controllers
- Perform simple tasks in a virtual environment
- Share your opinions about the tasks you performed
- Spend about **75 minutes** completing the study

### YOU'RE ELIGIBLE IF

- Are 18 or older
- Can stand/move without help
- Have normal vision or vision corrected by glasses or contact lenses
- Are not pregnant
- **Do not** have a cold, flu, or other contagious illness
- **Do not** have a history of epilepsy, seizures, or severe motion sickness

To sign up, please scan or visit:
